

Welcome to the Treoes Vale Solar Farm Public Exhibition

Treoes Vale Solar Farm (Windel Solar 9 Limited)
is a subsidiary of Windel Energy Limited & Recurrent Energy.

Windel Energy

Founded in 2018, Windel Energy is a privately held company that specialises in the development and asset management of renewable energy projects and low carbon technologies.

With more than 4 gigawatts (GW) of clean, renewable power and battery energy storage in various stages of development, Windel is at the forefront of low carbon technologies including solar, energy storage, and onshore wind, and are helping to pave the way to achieve Welsh Government target of 100% of electricity consumption being generated from renewable energy by 2035.

Windel Energy is committed to responsible land use and believe that the development and delivery of a solar farm can be achieved in harmony with its surroundings.

RECURRENT ENERGY

A subsidiary of Canadian Solar

Recurrent Energy is one of the world's largest and most geographically diversified utility-scale solar and energy storage project development, ownership and operations platforms. With an industry-leading team of in-house energy experts, we are a wholly owned subsidiary of Canadian Solar Inc. and function as Canadian Solar's global development and power services business.
